Bio Boost

BIOLOGICAL MULTIPLIER

Bio Boost added to Smell Zapper Bio-Enzymatic takes an already powerful product to the next level. Use Bio Boost to treat your worst odor issues.

Bio Boost is a powerful blend of bacterial concentrate that has a unique odor binding chemistry along with microbes that are innovative and effective for long term odor control.

Mixing Bio Boost into Smell Zapper BioEnzymatic will make it 5 times more effective for those severe issues caused by animals leaving the surface completely odor free.
